#### FULL DETAILS

As part of BNP Paribas' Growth Technology Sustainability (GTS) strategic plan, we leverage technology to further increase our NEOLINK WEB Portal service quality and enhance client experience. We are committed to providing state-of-the-art data management and innovative digital services.

To keep offering a robust access management framework to our digital services whilst complying with regulatory obligations related to anti-money laundering and financing of terrorism (AML-CFT), we are continuously adapting our policies and procedures.

In that context, starting end of 2024, we will review accesses to our NeoLink web portal through recertification campaigns. These campaigns
